

To Our Valued Clients:

Executive Transportation was recently made aware that the State Legislators and Governor of Kentucky have approved a tax on all limousine services that include a hired driver, which is expected to generate \$239,000,000 additional revenue for Kentucky in 2019.

Beginning July, 1, 2018, KRS 139.200 requires taxable services to collect a mandatory 6% sales tax on all limousine services.

A link explaining this new sales tax requirement is provided for your reference.
